7) I have discussed the position with the Finl Secy, which seems to stand as follows. On the event of the office of the Comptroller & the Auditor becoming vacant by the retirement or otherwise of the present incumbents there are two seniors, both qualified & experienced in the pursuit of business, Mr. Sreenivasa Iyengar & Mr. S. Shanmuga Do. The urgency for training up a senior officer for these posts does not seem to be indicated at present. At the same time it is very necessary that there shd be a succession of trained officers for these specialised posts. The Finl Secy has no objection to the proposed training of Mr. E. V. Ganapati who is one of our most junior, but very promising, young men. Both Mr. Iyengar & Mr. Shanmuga Do are quite in agreement with the Council-resolution which requires a senior man to be sent for the purpose. The Finl. Secy. agrees to my proposal to send Mr. M. A. Singaracharlu for training as an alternative as it wd be more in keeping with the Council Resolution, but he is of opinion that this officer shd complete his present preliminary course of training before he is sent out. In view of the very high age of Mr. V. V. Raghavachariar, & his being about the general time at any moment the Finl Secy thinks that it wd be better to send to Mesopotamia one of Ganapathy & Singaracharlu

being sent out for training, one after the other in the order names. He thinks it would be advisable to train not only a promising young Civilian officer but also a senior officer who has had some Experience & can be expected to possess mature judgment.

FIRST

Final Note by the ~~Second~~ Member of Council.

Subject:—

Selection of an officer for being trained in Railway Audit.

The opinion of the Council on the above subject, which has already received the gracious approval of His Highness, is, as under:-

"A fairly senior officer should be selected for training in the Railway Accounts and Audit to eventually take the place of the Auditor."

2. Some inconvenience has been experienced in finding a fairly senior officer conformably to the above resolution of the Council. Mr. A.N. Raghavachar is already employed on Railway Audit work and a suitable officer senior to him cannot be easily found.

3. I have discussed the position with the Financial Secretary, who thinks that, just at present, the urgency for training up a senior officer to eventually fill the place of Railway Auditor is not indicated. At the same time, it is necessary that there should be a succession of trained officers for specialised posts, (such as those of Comptroller & Railway Auditor). In this connection, the name of Mr. E.V. Ganapathi Iyer, B.Sc., who is a promising young civilian, has been thought of, and the Financial Secretary has no objection to his being got trained in Railway Audit and Accounts. But this would not be quite in consonance with the Council resolution which requires a senior officer for the purpose. The Financial Secretary is further of the opinion that it would be better to get both Messrs. Ganapathi Iyer and M.A. Singrachar trained, one after the other in the order named, in view of the contingency of Mr. A.N. Raghavachar wishing to revert to the general line.

4. The Dewan concurs in the above view.

5.

5. I solicit His Highness' gracious sanction to give effect to the suggestions of the Financial Secretary, with which I fully agree.
